

# The 10th Isle of Wight Festival

First steps towards a more sustainable and environmental, carbon neutral, ethical event

**Who are we?**

**Proper Productions**

Juliet Ross-Kelly

Rick Storey

Mark Ward

## **Step 1**

### **Environmental Management System**

**Conducting a carbon audit and complete  
baseline assessment of this year's  
festival**

## **Step 2**

**Keeping the focus on the island**

**Local suppliers, local involvement, local  
festival**

## **Step 3**

### **Communication and involvement**

**Enable all interested parties to meet and talk and co-ordinate their services**

**Regular updates and meetings**
